RETAIL HIGHLIGHT

New Swarovski Collection

Swarovski presents its new Autumn/Winter collection, Poetic Night. Drawing inspiration from the depths of the night, with forms and motifs reminiscent of the Art Nouveau period, Poetic is charmingly Asian and ultra sexy in deep hues of blue, purple and red. Accessories such as the red lacquered Asian-inspired perfume bottle is one sweet, delicate beauty; the necklaces and chains look like fresh blooms in their vivid colors, and there are the dragonflies that sit side by side on a charming row of mystic black pearls. The collection's shimmering iridescence is stunning and the marriage of baroque style with ever-changing colors makes these works of art beautiful, poetic beauties.

Swarovski's poetic pieces are priced from S\$149. Swarovski is located at Terminal 2, Departure/Transit Mall North.

What's On Your Plate?

"We haven't had Burger King in a long time so this is something like home in Oregon. We have McDonalds in Malaysia but that's different because there are no onion rings. We transit at Changi about seven to 10 times a year and we've tried most of the dining options from Japanese food to the cafes. We've been to many airports but compared to those in China and Europe, Changi is a very comfortable, nice airport with lots of things to do. The dining selection is very good though finding this dining area above the transit hall is not very easy. If my husband didn't bring me here, I wouldn't know there are so many options here."

- Jane Jackson, 35, who's from Oregon, US, but stays with her family in Penang, Malaysia, was spotted at Burger King, Terminal 2 (See Airport Map p. 19).
