In Tendre, Prada's signature amber scent is redefined along four essential dimensions: Vibrant, Sumptuous, Fluid, and Iridescent.

Singapore Changi Airport is now giving passengers a **FREE** Prada Tendre miniature with every purchase of a Prada Tendre fragrance at Nuance-Watson (Terminals 1 and 2).

## What's In Your Shopping Bag?

"I shop twice a year at Changi Airport. This time, I've bought some fragrances from Nuance-Watson, shoes from Charles & Keith, chocolates, a wallet and other items from Gucci. I chose to buy branded goods here because Changi offers good value for them. The best thing about shopping at Changi Airport is that the fragrances are much cheaper and the airport has a good variety."
