RETAIL HIGHLIGHT

Montblanc's 100th anniversary pens

2006 marks luxury brand Montblanc's 100th anniversary and as part of its grand celebrations, Montblanc has launched a selection of strikingly luxurious limited edition writing instruments. Two magnificent centennial editions are available in Singapore—the Meisterstück Solitaire 100 and the Meisterstück Solitaire 1906.

Each Meisterstück Solitaire 100 is finished in 750 solid yellow, red or white gold and sparkles with a diamond in the domed cap—a jewel specially patented for Montblanc and cut in a unique star shape.

The Meisterstück Solitaire 1906 is a combination of sturdy anthracite granite, carved from the face of Mont Blanc itself, and lustrous sterling silver. Each is topped off with the specially cut Montblanc diamond.

Montblanc is the first brand in the world to possess a diamond cut derived from its logo.

Only 100 pieces of the Meisterstück Solitaire 100 fountain pen are available worldwide and only 1906 Meisterstück Solitaire 1906 fountain pens have been distributed round the world. Limited pieces are available at the Montblanc boutique at Changi Airport, Terminals 1 and 2 (see Airport Map p. 18-19).

What's on your plate?

"I touched down an hour ago and felt like Japanese. I love Japanese food and it's great to know that if you've got that craving, you can satisfy it at Changi. It's my first time at this airport and the selection here is superior to any other airport I've visited in any part of the world. There's so much on offer at Changi. The cuisine selection is larger than I had anticipated—you have Sudanese, vegetarian and Japanese; sure beats eating fast food, especially when you come from the US."

- Pat Lewis, 40, from California, tucking into his chicken teriyaki bento box at Genki Sushi, Terminal 2 (see Airport Map p. 19).
